

World of Protozoa – Notes

✓ **IDENTIFY:** Match the organism with its name; compare the real-life image to the scientific diagram below.

- | | | |
|---|---|---|
| <ul style="list-style-type: none"> ○ dileptus ○ amoeba ○ spirogyra ○ water flea ○ didinium ○ volvox | <ul style="list-style-type: none"> ○ euplotes ○ bacteria ○ cyclops ○ rotifer ○ vorticella ○ euglena | <ul style="list-style-type: none"> ○ stentor ○ diatoms ○ nauptilus larva ○ paramecium |
|---|---|---|

✓ **Classify the organism by checking the correct boxes. We will work on this part together.**

ORGANISM	NAME	CLASSIFICATION	
		CELLS?	PLANT, ANIMAL, OTHER?
	1.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	2.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	3.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	4.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	5.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	6.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	7.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera

	8.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	9.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	10.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	11.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	12.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	13.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	14.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	15.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
	16.	<input type="checkbox"/> single celled <input type="checkbox"/> multicellular	<input type="checkbox"/> plant <input type="checkbox"/> animal <input type="checkbox"/> protist <input type="checkbox"/> monera
